

Date	Day	Maths Book Part	(CW)Page No	(HW)Page No	Maths Lesson Overview	Maths Description
	4	Maths 1 to 5 (Nursery)	5, 6	6	One Sun, Draw The '1'	Children will observe and identify the sun in the sky. They will learn that there is only one sun and practice recognizing the number '1'. This activity enhances observation skills and introduces the concept of singularity., Children will learn to write the number '1' by tracing and then drawing it on their own. This activity develops fine motor skills and helps in number recognition.
	5	Maths 1 to 5 (Nursery)	7, 8	8	Trace The Dotted Lines And Colour The Pictures, Draw The '1'	Kids will trace dotted lines to form the number '1' and then color related pictures. This strengthens hand-eye coordination and reinforces number association., Repetition of writing the number '1' to build muscle memory and writing confidence.
	6	Maths 1 to 5 (Nursery)	9, 10	10	Circle The Number '1', Draw The '1'	Children will identify and circle the number '1' among a group of numbers. This enhances number recognition and concentration., Continued practice of writing the number '1' to reinforce learning.
	7	Maths 1 to 5 (Nursery)	11, 12	12	sColour The Number '1' and One Bead, Draw Lines	Kids color the number '1' and a single bead, helping them understand the quantity associated with '1'. , Page left intentionally for creative activities or practice.
	8	Maths 1 to 5 (Nursery)	13, 14	14, 15	Circle Each Flower, One Nose, Count and Write The Number '1'	Children will count and circle one flower from a group, enhancing counting skills and one-to-one correspondence., Space for additional practice or creative exploration., Students count one object and write the number '1', reinforcing counting and writing skills.
	9	Maths 1 to 5 (Nursery)	16, 17	17	Two Cycle, Draw The '2'	Introduction to the number '2' using the example of two wheels on a cycle. This builds real-world connections with numbers., Learning to write the number '2' through guided tracing and freehand practice.
	10	Maths 1 to 5 (Nursery)	18, 19	19	Trace The Dotted Lines And Colour The Pictures, Draw The '2'	Tracing and coloring activities for number '2' to enhance fine motor skills., Repetition of writing '2' for muscle memory and number formation.
	11	Maths 1 to 5 (Nursery)	20, 21	21	Circle The Number '2', Draw The '2'	Identifying and circling the number '2' among other numbers to improve focus and recognition., Continued writing practice for the number '2'.
	12	Maths 1 to 5 (Nursery)	22, 23	23	Colour The Number '2' and One Beads, Draw The '2'	Associating the number '2' with two beads to understand quantity., Additional practice for writing '2'.
	13	Maths 1 to 5 (Nursery)	24, 25	25, 26	Make Sets of '2', Draw The '2', Count and Write The Number '2'	Grouping objects into sets of two to develop counting and pairing skills., Reinforcement of writing the number '2'. , Counting objects in pairs and writing the number '2'.

	14	Maths 1 to 5 (Nursery)	27, 28	28	Three Traffic Lights, Draw The '3'	Learning the number '3' by observing three lights on a traffic signal, linking numbers to real-world examples., Guided practice for writing the number '3'.
	15	Maths 1 to 5 (Nursery)	29, 30	30	Trace The Dotted Lines And Colour The Pictures, Draw The '3'	Tracing and coloring for number '3', supporting cognitive and motor development., Continued writing practice for number '3'.
	16	Maths 1 to 5 (Nursery)	31, 32	32	Circle The Number '3', Draw The '3'	Identifying and circling the number '3' among other numbers., Reinforcement of writing '3'.
	17	Maths 1 to 5 (Nursery)	33, 34	34	Count and Write The Number '3', Draw The '3'	Counting sets of three and writing the number., More writing practice for number '3'.
	18	Maths 1 to 5 (Nursery)	35, 36	36, 37	Colour The Number '3' and One Beads, Draw The '3', Make Sets of '3'	Connecting the number '3' to three objects to build quantity recognition., Final practice for writing '3'., Grouping items in threes to understand the concept of triplets.
	19	Maths 1 to 5 (Nursery)	38,	39	Count and Write '1 to 3', Count and Write '1 to 3'	Sequential counting from 1 to 3 and writing the numbers., Repetition of counting and writing from 1 to 3 for reinforcement.
	20	Maths 1 to 5 (Nursery)	40,	41	Count and Write '1 to 3', Count and Write '1 to 3'	Continued practice to build confidence in counting and writing., Final repetition to solidify the concept of counting in sequence.
	21	Maths 1 to 5 (Nursery)	42, 43	43	Four Dogs, Draw The '4'	Introduction to the number '4' with real-life examples of four dogs., Writing practice for the number '4'.
	22	Maths 1 to 5 (Nursery)	44, 45	45	Make Set of 4 and Count and Match, Draw The '4'	Grouping items in fours and matching with the number '4'., Continued practice for writing the number '4'.
	23	Maths 1 to 5 (Nursery)	46, 47	47	Circle The Number '4', Draw The '4'	Identifying and circling '4' among other numbers., More practice for writing the number '4'.
	24	Maths 1 to 5 (Nursery)	48, 49	49	Count and Write The Number '4', Draw The '4'	Counting groups of four and writing the number., Additional practice for writing '4'.
	25	Maths 1 to 5 (Nursery)	50, 51	51, 52	Colour The Number '4' And Four Beads, Draw The '4', Trace The Dotted Lines And Colour The Pictures	Connecting the number '4' with four beads to understand quantity., Final practice for writing '4'., Tracing and coloring for reinforcement.
	26	Maths 1 to 5 (Nursery)	53, 54	54	Five Petals of a Flower, Draw The '5'	Learning '5' through observation of a five-petal flower., Writing practice for the number '5'.
	27	Maths 1 to 5 (Nursery)	55, 56	56	Trace The Dotted Lines And Colour The Pictures, Draw The '5'	Tracing and coloring for number '5'., Continued practice for writing '5'.
	28	Maths 1 to 5 (Nursery)	57, 58	58	Make Set of 5 and Count and Match, Draw The '5'	Grouping items in fives and matching with the number., More practice for writing '5'.
	29	Maths 1 to 5 (Nursery)	59, 60	60	Circle The Number '5', Draw The '5'	Identifying and circling '5'., Continued practice for writing '5'.
	30	Maths 1 to 5 (Nursery)	61, 62	62, 63	Colour The Number '5' and Five Beads, Draw The '5', Count and Write The Number '5'	Associating '5' with five beads., Final practice for writing '5'., Children will count groups of five objects and write the number '5', reinforcing counting and writing skills.

	31	Maths 1 to 5 (Nursery)	64, 65	66, 67	Count and Write '1 to 5', Count and Match, Count and Write '1 to 5', Count and Match	Sequential counting from 1 to 5 and writing each number, building number order understanding., Kids will count objects and match them with the corresponding number, enhancing number-object association., Repetition of counting and writing numbers from 1 to 5 for better retention., Matching groups of objects with numbers to improve quantity recognition.
	32	Maths 1 to 5 (Nursery)	68, 69	70, 71	Count and Write '1 to 5', Count and Match, Count and Write '1 to 5', Count and Match	Continued practice for sequential counting and number writing., Engaging activity to pair counted objects with numbers, reinforcing counting accuracy., Writing numbers from 1 to 5 after counting sets of objects, enhancing number formation., Matching activity to solidify number-object correspondence.
	33	Maths 1 to 5 (Nursery)	72, 73	74, 75	Count and Write '1 to 5', Count and Circle The Correct Number, and Count and write the Number of Balls On Train's Bogies., Count and Write '1 to 5', Tick The Set That Has The Same Number of Objects.	Sequential counting and writing practice to strengthen memory and understanding., Dual activity: Circle the correct number after counting objects and write the total number of balls on train bogies, enhancing problem-solving skills., Final practice for counting and writing numbers from 1 to 5, ensuring mastery., Children compare sets of objects and tick the set with the matching number, developing comparison and analytical skills.
	34	Maths 1 to 5 (Nursery)			Assesment of Maths 1 to 5	
	35	Maths 1 to 5 (Nursery)			Assesment of Maths 1 to 5	
	36	Maths 6 to 10 (Nursery)	5, 6	7, 8	Look at The Objects, and Count and Write The Number Of Objects, Count And Write , Count and Circle The Correct Number, Write The Next Three Numbers, Write The Previous 3 Number, Count And Write	Children observe different objects, count them carefully, and write the corresponding number, enhancing their counting and observation skills., Children practice counting objects and writing the numbers, reinforcing their numerical writing abilities., This activity enhances number sequencing skills by counting, circling the correct numbers, and practicing number order., Children count the objects and write the numbers, reinforcing their counting and number writing skills.
	37	Maths 6 to 10 (Nursery)	9, 10	10	Six Leg of Insect, Draw The '6'	Kids learn about insects having six legs, combining basic science knowledge with numerical learning., Children practice writing the number '6' by drawing it, improving their number formation skills.
	38	Maths 6 to 10 (Nursery)	11, 12	12	Trace The Dotted Lines And Colour The Pictures, Draw The '6'	This activity develops fine motor skills by tracing dotted lines and coloring pictures related to the number '6'. Reinforcement of writing the number '6' by drawing it multiple times.
	39	Maths 6 to 10 (Nursery)	13, 14	14	Circle The Number '6', Draw The '6'	Kids identify and circle the number '6' from a group of numbers, enhancing number recognition., Further practice in writing the number '6'.

	40	Maths 6 to 10 (Nursery)	15, 16	16	Match The Pictures with Its Correct Number, Draw The '6'	Children match groups of six objects to the number '6', developing counting and matching skills., Continued practice in writing the number '6'.
	41	Maths 6 to 10 (Nursery)	17, 18	18, 19	Colour The Number '6' and The '6' Beads, and Colour The Hexagons with Number '6', Draw The '6', Make Sets Of '6', and Count and Match	Kids color the number '6' and related objects, reinforcing number recognition and association., Further practice in number formation., Children group objects into sets of six and match them to the number '6', enhancing counting and grouping skills.
	42	Maths 6 to 10 (Nursery)	20, 21	21	Seven Colours Of A Rainbow, Draw The '7'	Introduction to the number '7' through the concept of seven colors in a rainbow., Practice in writing the number '7'.
	43	Maths 6 to 10 (Nursery)	22, 23	23	Trace The Dotted Lines And Colour The Pictures, Draw The '7'	Enhances motor skills through tracing and coloring activities related to '7'. Reinforcement of writing the number '7'.
	44	Maths 6 to 10 (Nursery)	24, 25	25	Make Sets Of '7', and Count and Match, Draw The '7'	Grouping objects into sets of seven and matching them to the number '7'. Continued practice in writing the number '7'.
	45	Maths 6 to 10 (Nursery)	26, 27	27	Circle The Number '7', Draw The '7'	Identifying and circling the number '7' to enhance recognition., Further writing practice.
	46	Maths 6 to 10 (Nursery)	28, 29	29, 30	Colour The Number '7' and The '7' Beads, and Colour The Hexagons with Number '6', Draw The '7', Count and Write The Number	Reinforces number recognition through coloring activities., Practice in number formation., Counting objects and writing the corresponding number.
	47	Maths 6 to 10 (Nursery)	31, 32	32	Eight Legs Of An Octopus, Draw The '8'	Introducing the number '8' through the example of an octopus's legs., Practice in writing the number '8'.
	48	Maths 6 to 10 (Nursery)	33, 34	34	Trace The Dotted Lines And Colour The Pictures, Draw The '8'	Tracing and coloring activities related to the number '8'. Reinforcement of number formation.
	49	Maths 6 to 10 (Nursery)	35, 36	36	Circle The Number '8', Draw The '8'	Identifying and circling the number '8'. Continued practice in writing '8'.
	50	Maths 6 to 10 (Nursery)	37, 38	38	Make Sets Of '8', and Count and Match, Draw The '8'	Grouping into sets of eight and matching with the number., Further practice in number formation.
	51	Maths 6 to 10 (Nursery)	39, 40	40, 41	Circle The Number '8' and The Eight Beads, and Colour The Octagons with Number '8', Draw The '8', Match The Pictures with Its Correct Number	Enhances number recognition and association., Continued writing practice., Matching groups of eight objects to the number.

	52	Maths 6 to 10 (Nursery)	42, 43	43	Nine Gems, Draw The '9'	Introducing the number '9' using the concept of nine gems., Practice in writing the number '9'.
	53	Maths 6 to 10 (Nursery)	44, 45	45	Trace The Dotted Lines And Colour The Pictures, Draw The '9'	Tracing and coloring activities for number '9'. Reinforcement of writing the number '9'.
	54	Maths 6 to 10 (Nursery)	46, 47	47	Circle The Number '9', Draw The '9'	Identifying and circling the number '9'. Continued writing practice.
	55	Maths 6 to 10 (Nursery)	48, 49	49	Make Sets Of '9', and Count and Match, Draw The '9'	Grouping into sets of nine and matching with the number., Further practice in number formation.
	56	Maths 6 to 10 (Nursery)	50, 51	51, 52	Colour The Number '9' and The '9' Beads, and Colour The Nonagons with Number '9', Draw The '9', Count and Write The Number	Reinforcement through coloring activities., Continued writing practice., Counting and writing the number.
	57	Maths 6 to 10 (Nursery)	53, 54	54	Zero, Draw The '0'	Introduction to the concept of zero., Practice in writing the number '0'.
	58	Maths 6 to 10 (Nursery)	55, 56	56	Colour The Pictures, Draw The '0'	Coloring activities to enhance motor skills., Reinforcement of writing '0'.
	59	Maths 6 to 10 (Nursery)	57, 58	58	There Were '3' Birds Setting On Tree, and One Bird Flew Away Then, Two Birds Were Left, The Last Bird Also Flew Away After That There Was No Bird Left Or We can Say, There Was Zero Bird On the Tree., Draw The '0'	Understanding zero through a story-based activity., Continued practice in number formation.
	60	Maths 6 to 10 (Nursery)	59, 60	60	Circle The Number '0', Draw The '0'	Identifying and circling '0'. Further writing practice.
	61	Maths 6 to 10 (Nursery)	61, 62	62, 63	When We Have Nothing To Count, We Say, We Have '0' Things, Draw The '0', Colour The Number '0' and The '0' Beads, and Colour The Circle With Number '0'	Explaining zero using real-life examples., Continued writing practice., Reinforcement through coloring.

	62	Maths 6 to 10 (Nursery)	64	65	Count And Write, Count And Write	Children count the objects and write the corresponding numbers, reinforcing their counting and number writing skills., Continued practice in counting and writing numbers, enhancing numerical understanding.
	63	Maths 6 to 10 (Nursery)	66, 67	67	Ten Fingers in Hands, Draw The '10'	Introduction to the number '10' using the example of ten fingers, making the concept relatable and easy to understand., Practice in writing the number '10', helping children learn number formation.
	64	Maths 6 to 10 (Nursery)	68, 69	69	Circle The Number '10', Make Sets of Ten, and Count and Match	Identifying and circling the number '10' to enhance number recognition skills., Grouping objects into sets of ten and matching them with the number '10', promoting counting and matching abilities.
	65	Maths 6 to 10 (Nursery)	70, 71	71	Count and Write The Number of Fingers in Hands, Draw The '10'	Counting fingers and writing the corresponding number, reinforcing the concept of '10'. , Continued practice in writing the number '10'.
	66	Maths 6 to 10 (Nursery)	72, 73	73	Count and Write The Numnber of Fingers In Hands, Draw The '10'	Repetition of counting and writing the number '10' to reinforce learning., Further practice in writing the number '10'.
	67	Maths 6 to 10 (Nursery)	74, 75	75	Colour The Number '10' and The Beads, and Colour The Decagons with Number '10', Draw The '10'	Reinforcement of number recognition and association through coloring activities., Continued practice in number formation.
	68	Maths 6 to 10 (Nursery)	76, 77	77, 78	Match The Pictures with Its Correct Number, Write 1 to 10, Match The Folving	Matching groups of ten objects to the number '10', enhancing counting and matching skills., Children practice writing numbers from 1 to 10 sequentially, reinforcing number order and writing skills., Matching numbers with corresponding sets or pictures, promoting number recognition and logical thinking.
	69	Maths 6 to 10 (Nursery)	79, 80	80	Colour As Many Beads As Per The Given Numbers, Count And Write	Coloring the correct number of beads as per the given numbers, enhancing number recognition and fine motor skills., Counting objects and writing the numbers, reinforcing counting and writing skills.
	70	Maths 6 to 10 (Nursery)	81, 82, 83	83, 84	Count and Circle The Correct Number, Write The Next Three Numbers, Write The Previous 3 Number, Find and Circle The Given Numbers, Count and Write , Match The Fingers with Their Numbers	This activity enhances number sequencing by counting, circling correct numbers, and practicing before and after numbers., Children search for and circle specific numbers, developing number recognition and attention to detail., Continued practice in counting and writing numbers., Matching the number of fingers shown to the correct number, enhancing counting and matching skills.
	71	Maths 6 to 10 (Nursery)	85, 86	86, 87	Count and Circle The Correct Number, Write The Next Three Numbers, Write The Previous 3 Number, Count and Write,	Continued practice in counting and writing numbers., Matching the number of fingers shown to the correct number, enhancing counting and matching skills.,

	72	Maths 6 to 10 (Nursery)	88	88	Count and Write	Final activity in counting and writing numbers, consolidating the skills learned throughout the previous lessons.
	73	Maths 6 to 10 (Nursery)			Assesment of Maths 1 to 5	Assesment of Maths 1 to 5
	74	Maths 6 to 10 (Nursery)			Assesment of Maths 1 to 5	Assesment of Maths 1 to 5
	75	Maths 1 to 50 (Nursery)	5	6	Count and Write	Children will practice counting numbers and writing them to improve number recognition, Reinforce counting skills at home by tracing and writing numbers independently.
	76	Maths 1 to 50 (Nursery)	7	8	Count and Write	Engage in counting exercises and develop handwriting skills by writing numbers, Strengthen counting abilities through practice and repetition at home.
	77	Maths 1 to 50 (Nursery)	9,10	10,11	Match The Following, Write The Numbers, Count and Match	Match numbers with their corresponding objects to develop logical thinking and observation skills, Practice writing numbers correctly to enhance numerical understanding and pen control, Count the given objects and match them with the correct number to reinforce counting concepts.
	78	Maths 1 to 50 (Nursery)	13,14	15,16	Draw The 11, Make Sets Of 11 and Count and Match, Count the Fruits and Write the Numbers	Learn to draw the number 11 and understand its formation through guided tracing, Create sets of 11 objects, count them, and match with the correct number, Count the fruits in the picture and write the corresponding numbers.
	79	Maths 1 to 50 (Nursery)	17	18	Circle The Number 11, Colour 11 Beads	Identify and circle the number 11 among other numbers to build recognition skills, Count and color 11 beads to enhance counting and coloring coordination.
	80	Maths 1 to 50 (Nursery)	20,21	22,23	Draw The 12, Make Sets Of 12 and Count and Match, Count and Write the Numbers	Learn to draw and recognize the number 12 with guided practice, Create and count sets of 12 objects, then match with the correct number, Practice writing and drawing the number 12 for better retention, Count different objects and write the numbers to reinforce numerical learning.
	81	Maths 1 to 50 (Nursery)	24	25	Circle The Number 12, Colour 12 Beads	Find and circle the number 12 among other numbers for number recognition, Count and color 12 beads to enhance fine motor skills and number recognition.

	82	Maths 1 to 50 (Nursery)	27	28,29, 30	Draw the 13, Make Sets of 13 and Count and Match, Count and Write	Learn to draw and recognize the number 13 through tracing and freehand practice, Create groups of 13 objects and match them with the corresponding number, Reinforce number 13 recognition by drawing and tracing it at home, Count objects and write the number 13 to develop mathematical skills.
	83	Maths 1 to 50 (Nursery)	31	32	Circle the Number 13, Colour 13 Beads	Identify and encircle the number 13 among other numbers to strengthen recognition, Count and color 13 beads to reinforce counting skills.
	84	Maths 1 to 50 (Nursery)	34	35	Draw the 14, Make Sets of 14 and Count and Match	Practice drawing the number 14 to understand its shape and formation, Arrange objects in groups of 14 and match them with the right number.
	85	Maths 1 to 50 (Nursery)	36	37	Draw the 14, Count and Write	Strengthen recognition of number 14 through guided and independent practice, Count and record the number 14 to build confidence in number writing.
	86	Maths 1 to 50 (Nursery)	38	39	Circle the Number 14, Colour 14 Beads	Find and highlight the number 14 in a group of numbers, Count and fill 14 beads with colors to practice numerical order.
	87	Maths 1 to 50 (Nursery)	41	42	Draw the 15, Make Sets of 15 and Count and Match	Learn to write and draw the number 15 for better recall, Arrange objects into sets of 15 and match them to the correct number.
	88	Maths 1 to 50 (Nursery)	43	44	Draw the 15, Make Sets of 15 and Count and Match	Reinforce writing the number 15 through tracing and drawing, Develop counting skills by writing numbers for given sets.
	89	Maths 1 to 50 (Nursery)	45	46	Circle The Number 15, Colour 15 Beads	Identify and encircle the number 15 among other digits, Count and color 15 beads to visualize and remember the number.
	90	Maths 1 to 50 (Nursery)	48	49	Draw the 16, Make Sets of 16 and Count and Match	Practice writing and recognizing the number 16 through tracing and drawing, Group objects into sets of 16 and match them to reinforce counting skills.
	91	Maths 1 to 50 (Nursery)	50	51	Draw the 16, Count and Write	Enhance number recognition by tracing and freehand drawing of 16, Count objects and write the correct number to develop numerical fluency.
	92	Maths 1 to 50 (Nursery)	52	53	Circle the Number 16, Colour 16 Beads	Identify and encircle the number 16 among different numbers to strengthen number recognition, Count and color 16 beads to improve visual and numerical understanding.
	93	Maths 1 to 50 (Nursery)	55	56	Draw the 17, Make Sets of 17 and Count and Match	Learn to write and recognize the number 17 through guided drawing exercises, Arrange objects into sets of 17 and match them to reinforce numerical skills.

	94	Maths 1 to 50 (Nursery)	57	58	Draw the 17, Count and fill 14 beads with colors to practice numerical order.	Reinforce number 17 recognition by drawing and tracing it, Count various objects and write the number 17 correctly.
	95	Maths 1 to 50 (Nursery)	59	60	Circle the Number 17, Colour 17 Beads	Identify and encircle the number 17 among different numbers, Count and color 17 beads to visualize and reinforce number learning.
	96	Maths 1 to 50 (Nursery)	62	63	Draw the 18, Make Sets of 18 and Count and Match	Learn to write and recognize the number 18 through guided drawing practice, Arrange objects into sets of 18 and match them with the correct number.
	97	Maths 1 to 50 (Nursery)	64	65	Draw the 18, Count and Write	Strengthen number recognition through tracing and freehand drawing of 18, Count objects and write the correct number to build counting fluency.
	98	Maths 1 to 50 (Nursery)	66	67	Circle The Number 18, Colour 18 Beads	Identify and encircle the number 18 among various numbers, Count and color 18 beads to enhance numerical understanding.
	99	Maths 1 to 50 (Nursery)	69	70	Draw The 19, Make Sets of 19 and Count and Match	Practice writing and recognizing the number 19 through tracing and drawing, Arrange objects into sets of 19 and match them with the correct number.
	100	Maths 1 to 50 (Nursery)	71	72	Draw the 19, Count and Write	Reinforce number recognition by tracing and drawing number 19, Count and write the number 19 to improve number fluency.
	101	Maths 1 to 50 (Nursery)	73	74	Circle The Number 19, Colour 19 Beads	Identify and encircle the number 19 among different numbers, Count and color 19 beads to enhance number recognition.
	102	Maths 1 to 50 (Nursery)	76	77	Draw the 20, Make Sets of 20 and Count and Match	Learn to write and recognize the number 20 through guided tracing and drawing, Arrange objects into sets of 20 and match them with the correct number.
	103	Maths 1 to 50 (Nursery)	78	79	Draw the 20, Count and Write	Reinforce number 20 recognition by drawing and tracing it, Count objects and write the number 20 to build confidence in number writing.
	104	Maths 1 to 50 (Nursery)	80	81	Circle The Number 20, Colour 20 Beads	Identify and encircle the number 20 among other digits, Count and color 20 beads to visualize and remember the number.
	105	Maths 1 to 50 (Nursery)	82	83	Write 1 to 20	Reinforce number writing by practicing numbers from 1 to 20.
	106	Maths 1 to 50 (Nursery)	84	85	Write 1 to 20, Count and Circle The Correct Number	Continue practicing number writing to strengthen numerical fluency, Identify the correct number and circle it to build recognition skills.

	107	Maths 1 to 50 (Nursery)	86	87	Write 1 to 20, Match The Following	Match numbers with their corresponding objects to strengthen counting skills, Master writing numbers from 1 to 20 with precision.
	108	Maths 1 to 50 (Nursery)	88	89	Write 1 to 20, Match The Following	Master writing numbers from 1 to 20 with precision, Strengthen logical thinking by matching numbers with objects.
	109	Maths 1 to 50 (Nursery)	90	91	Write 1 to 20, Count and Circle The Correct Number	Reinforce number writing skills through consistent practice, Recognize the correct number and circle it to enhance recognition.
	110	Maths 1 to 50 (Nursery)	92	93	The Square Shaped Object are: and Join the Dots and Colour the Squares, Trace the Square	Recognize squares, trace them, and color them to learn about shapes, Practice tracing squares to strengthen shape recognition skills.
	111	Maths 1 to 50 (Nursery)	94	95,96	Write 21 to 30, Write 11 to 30	Learn to write numbers from 21 to 30 fluently, Practice writing numbers from 11 to 30 for better fluency.
	112	Maths 1 to 50 (Nursery)	96,97	98	Write 11 to 30, The Triangle Shaped Object are: and Join the Dots and Colour the Triangle, Trace the Triangle	Practice writing numbers from 11 to 30 for better fluency, Recognize triangles and join dots to complete them, Strengthen understanding of triangles by tracing.
	113	Maths 1 to 50 (Nursery)	99	100	Write 31 to 40	Reinforce number writing by practicing 31 to 40 at home.
	114	Maths 1 to 50 (Nursery)	101	101	Write 21 to 40	Strengthen fluency in writing numbers 21 to 40 through practice.
	115	Maths 1 to 50 (Nursery)	1E+08	105	The Circle Shaped Object are: and Join the Dots and Colour the Circle, Colour, Trace, and Connect, Write 41 to 50	Identify and color circles while improving fine motor skills, Develop shape recognition and motor skills through tracing and coloring, Develop shape recognition and motor skills through tracing and coloring.
