

Date	Day	Subject Part	(CW)P age No	(HW) Page No	Lesson Overview	Description
	1	Pattern with Alphabet part A	5, 6	7	The Letter 'A', Draw the Kites Strings, Join the dots with crayons to complete the sticks	This lesson introduces A to the students and is associated with "A for Apple". Students are asked to color hollow letter 'A' along with outline picture of Apple. The lesson introduces shape of letter 'A' and color of Apple i.e. Red, Since the students need to learn to draw straight lines in the beginning, this lesson attempts to teach them to draw over a dotted line from top to bottom in a playful way where they are able to associate kite's string with a straight line, Continuing with learning to draw straight lines, students are asked to draw a straight line connecting it with toys, i.e. sticks. The students will use their crayons to draw. This is Homework activity.
	2	Pattern with Alphabet part A	8, 9	10	Colour the Apples marked 'A', Draw the Flowers Stems, Join the Dots with Crayons to Complete the Strings	The CW activity attempts to develop the letter recognition. The students are asked to color 'only' the apples which are marked with letter 'A' which the students learnt in their previous class, In this CW, students will draw flowers with stems. Guide them to make straight lines for the stems by joining the dots provided. This activity will help improve their focus and drawing skills, For this HW, children will complete the balloon strings by using crayons to draw straight lines connecting the dots. This activity will enhance their fine motor skills and hand-eye coordination.
	3	Pattern with Alphabet part A	11, 12	13	Tear Red Paper and Paste them on the Apple, Trace The Dotted Lines, Trace The Dotted Lines From Top To Bottom	In this CW, children will tear pieces of red paper and paste them inside the apple outline provided. This activity will develop their fine motor skills and creativity, This CW activity designed to improve fine motor skills and hand-eye coordination. It helps students develop focus and attention to detail through directional path tracing, In this HW, Students trace dotted lines vertically to improve fine motor skills, hand-eye coordination, focus, and attention to detail.
	4	Pattern with Alphabet part A	14, 15	16, 17	The Letter 'b', Join the Dots With Crayons And Colour The Pencils, Draw The Standing Lines, Colour The Balls Marked 'B', Draw the Standing Lines	Explores the significance of the letter 'B' in language and symbolism, uncovering its cultural and personal implications. A deep dive into how this simple shape shapes meaning and identity, In This CW, Students invites creativity through a playful blend of art and imagination. A fun journey of connecting, coloring, and discovering endless possibilities, Encourages exploration of structure and balance through simple vertical lines. A creative exercise in mastering form and enhancing artistic precision, This is a fun and engaging activity that combines learning with creativity. It helps reinforce the recognition of the letter 'B' while fostering artistic expression.

	5	Pattern with Alphabet part A	18	19	Draw the Standing Lines	This CW/HW is a simple activity designed to help children develop fine motor skills. It encourages focus and precision while introducing basic line drawing concepts.
	6	Pattern with Alphabet part A	20, 21	22	Latters 'A' and 'B',Trace The Dotted Lines ,Trace The Lines Of candies	This CW is a fun activity that helps children recognize and learn the shapes of the first two letters of the alphabet. It encourages early literacy skills through engaging exercises and colorful visuals,This is a fun activity that helps children improve hand-eye coordination and writing skills. It encourages precision and control while familiarizing kids with basic shapes and patterns,This is a playful activity that combines fun with skill-building. Children can enhance their fine motor abilities while tracing candy-shaped lines in a colorful and engaging way
	7	Pattern with Alphabet part A	23, 24	25	The Letter 'C', Draw The Standing Lines and Colour The Pictures, Join The Fruits With their Leaves	This CW is an engaging activity designed to help children recognize and write the letter 'C'. It encourages early literacy development through fun, interactive exercises, This CW, Helps children practice drawing vertical lines while boosting their creativity. It's a fun way to develop fine motor skills and enhance artistic expression,This HW, is a fun activity that helps children improve matching skills and creativity. It encourages learning through connecting fruits to their corresponding leaves in a colorful, interactive way.
	8	Pattern with Alphabet part A	26, 27	28	Colour the Cats Marked 'C', Draw The Strings and Colour The Balloons, Join The Dots With Crayons And Complete The Lines.	This is a delightful activity that helps children recognize the letter 'C' while having fun with colors. It encourages both early literacy skills and creativity through engaging illustrations, This is a creative activity that helps children practice drawing and coloring. It enhances fine motor skills while encouraging imaginative play through colorful balloon designs,The HW is a fun activity that helps children develop hand-eye coordination and fine motor skills. It encourages creativity as they complete and color the dotted lines to reveal a picture.
	9	Pattern with Alphabet part A	29, 30	31	Trace The Dotted Lines, Trace the Standing Lines And Help Bingo Shower,Trace The Dotted Lines	This CW is an engaging activity that helps children improve their handwriting and fine motor skills. It encourages focus and precision while having fun tracing simple patterns and shapes, This CW is a fun activity that improves children's motor skills while guiding Bingo through a playful task. It encourages precision and creativity as kids trace vertical lines to complete the scene, This is a simple activity that helps children develop fine motor skills and hand-eye coordination. It encourages focus and precision as they follow the dotted paths to complete various shapes and patterns.

	10	Pattern with Alphabet part A	32, 33	34	The Letter 'D',Trace The Dotted Lines, Join The Dots To Complete The Fence And Colour IT	This CW, Discover fun and engaging activities centered around the letter 'D' to help children learn through play. Perfect for building early literacy skills with creativity and excitement!, This is a fun and engaging activity that helps children develop fine motor skills and hand-eye coordination as they follow and trace various dotted patterns. Perfect for creative learning and early writing practice!,Unleash your creativity by joining the dots to complete the fence outline. Add your personal touch by coloring it in vibrant shades!
	11	Pattern with Alphabet part A	35, 36	37	Colour The Dogs Marked 'D',Join The Dots To Complete The Wall And Colour IT,trace The Dotted Lines And Colour IT	This CW, Engage young learners with a fun and interactive activity where they color only the dogs marked with the letter 'D,' enhancing their focus and letter recognition skills. Perfect for creative play and learning!,This CW, Connect the dots to build a wall and bring it to life with vibrant colors! A fun and creative activity for kids to enhance their motor skills and imagination.,This HW is a fun activity that helps children improve fine motor skills by tracing patterns and adding vibrant colors to bring their creations to life!
	12	Pattern with Alphabet part A	38, 39	40, 41	The Letter 'E',Trace The Sleeping Lines, Colour The Elephants Marked 'E', Draw The Lines and Colour The Flag	Explore the exciting world of the letter 'E' through fun activities, crafts, and games designed to spark creativity and learning in young minds!, This CW is a fun and engaging activity that helps children develop fine motor skills by tracing horizontal lines. Perfect for building early writing confidence in a playful way, This HW, Engage kids in a fun learning activity by coloring all the elephants marked with the letter 'E'. This exercise helps reinforce letter recognition and creativity!,This HW is a fun and creative activity where children outline and color a flag, helping them develop fine motor skills and learn about different cultures.
	13	Pattern with Alphabet part A	42, 43	43	Find And Circle the Letters Given Below,Draw The Standing Lines	This CW is a fun and engaging activity where children search for specific letters hidden in a grid, helping to improve their letter recognition and focus., This CW and HW is a fun activity where children practice creating straight vertical lines, enhancing their fine motor skills and hand-eye coordination.

	14	Pattern with Alphabet part A	44, 45	46, 47	The Letter 'F',Trace The Sleeping Lines, Colour The Fish Marked 'F',Trace The Dotted Lines	Explore the fun world of the letter 'F' through engaging activities, crafts, and games designed to spark creativity and learning. Perfect for young learners to discover words, sounds, and more!,This CW is a fun and engaging activity where children practice tracing horizontal lines, enhancing their fine motor skills and hand-eye coordination. Perfect for early learners!,Dive into a fun learning activity where kids identify and color only the fish marked with the letter 'F,' enhancing their letter recognition and creativity!, This HW is a fun and engaging activity that helps children develop fine motor skills and hand-eye coordination as they follow dotted patterns with precision. Perfect for early learners!
	15	Pattern with Alphabet part A	48, 49	49	Draw The Standing Lines	This CW is a fun and engaging activity where children practice creating straight vertical lines, enhancing their fine motor skills and handwriting readiness.,This CW and HW is a fun and engaging activity where children practice drawing straight vertical lines, enhancing their motor skills and hand-eye coordination.
	16	Pattern with Alphabet part A	50, 51	52, 53	The Letter 'G',Trace The Sleeping Lines, Colour The Goats Marked 'G',Trace The Sleeping Lines	Explore the exciting world of the letter 'G' through fun games, creative crafts, and engaging activities designed to spark curiosity and learning in young minds., This CW is a fun and engaging activity designed to help children develop fine motor skills and hand-eye coordination by tracing horizontal lines. Perfect for early learners to build pre-writing confidence!, Engage kids in a fun and educational activity where they identify and color only the goats marked with the letter 'G'. Perfect for enhancing letter recognition and focus!, This HW is a fun activity where children practice tracing horizontal lines, helping to improve their fine motor skills and hand-eye coordination. Perfect for early learners!
	17	Pattern with Alphabet part A	54, 55	55	Draw The Standing Lines	This CW is a fun activity where children practice drawing vertical lines to improve their fine motor skills. It's a great way to develop hand-eye coordination while learning basic shapes!,This CW and HW is a fun activity where children practice drawing vertical lines to improve their fine motor skills. It's a great way to develop hand-eye coordination while learning basic shapes!
	18	Pattern with Alphabet part A	56, 57	58, 59	The Letter 'H',Trace The Sleeping Line, Colour The Horses Marked 'H',Trace The Sleeping Line	Introduce the letter 'H' through engaging activities to enhance recognition., Help children practice fine motor skills by tracing sleeping lines.,Encourage creativity by coloring images of horses associated with the letter 'H'.,Homework focused on developing motor skills through line tracing.

	19	Pattern with Alphabet part A	60, 61	61	Trace The Dotted Lines, Draw The Standing Line	Engage students in tracing dotted lines to improve writing skills., Teach children how to create standing lines as part of their writing practice.
	20	Pattern with Alphabet part A	62, 63	64, 65	Find and Circle The Letters Given Below, Trace The Dotted Lines, Trace The Sleeping Line	Activity that reinforces letter recognition through circling.,Help kids improve their coordination and motor skills by tracing.,Homework aimed at reinforcing letter recognition by circling letters.,Homework focused on improving motor skills through line tracing.
	21	Pattern with Alphabet part A	66, 67	68, 69	Strike Out The Odd One,Trace The Sleeping Line,Trace The Sleeping Line	Engaging activity where children identify and strike out the odd one from a group.,Help children practice sleeping lines for better writing skills.,Homework focused on differentiating between similar items.,Assignment for developing tracing skills through engaging tasks.
	22	Pattern with Alphabet part A	70, 71	72, 73	Strike Out The Odd One,Trace The Track To Reach Home,Trace The Sleeping Lines	Fun activity that reinforces critical thinking while identifying mismatched items.,Activity that combines tracing and direction skills as kids follow a path.,Homework aimed at reinforcing skills in identifying differences.,Homework focused on practicing line tracing.
	23	Pattern with Alphabet part A	74, 75	76, 77	The Letter 'I', Trace The Sleeping Lines,Colour The Inkpots Marked 'I', Trace The Sleepiing Lines	Engagement with the letter 'I' through fun and interactive activities.,Activity focused on practicing writing skills with sleeping lines.,Creative task to help children associate colors with the letter 'I'.,Homework for fine motor skills development through tracing lines.
	24	Pattern with Alphabet part A	78, 79	80, 81	The Letter 'J',Trace The Sleeping Lines, Colour The Jugs Marked 'J',Trace The Sleeping Lines	Fun introduction to the letter 'J' through engaging activities, Help children develop writing skills with tracing activities.,Encourage creativity while recognizing the letter 'J' through coloring.,Homework focused on developing tracing skills with sleeping lines.
	25	Pattern with Alphabet part A	82, 83	84, 85	The Letter 'K',Trace The Sleeping Lines,Colour The Kites Marked 'K',Join The Same Pictures	Introduction to the letter 'K' through fun activities.,Help children practice their writing skills with tracing.,Creative activity that encourages recognition of the letter 'K' through coloring.
	26	Pattern with Alphabet part A	86, 87	88, 89	The Letter 'L',Trace The Sleeping Lines,Colours The Lion Marked 'L',Complete The Ladders With Sleeping Lines	Activity that reinforces matching skills by finding similar images, Engaging introduction to the letter 'L' through playful activities, Practice writing skills by tracing sleeping lines, Encourage creativity by coloring images associated with the letter 'L'.
	27	Pattern with Alphabet part A	90, 91	92, 93	Find and Circle The Letters Given Below,Join The Animal Wirth Their Babies, Trace The Sleeping Lines	Fun activity that combines tracing skills and creativity, Activity where children find and circle the specified letters,Fun matching activity that helps children connect animals with their offspring, Homework focused on reinforcing letter recognition through circling.

	28	Pattern with Alphabet part A	94, 95	96, 97	Strike Out The Odd One, Trace The Sleeping Lines And Colours The Dress, Trace The Sleeping Lines	Homework that focuses on developing tracing skills, Engaging activity where children identify and strike out the words that do not belong, Combine tracing and coloring for a fun activity, Homework that reinforces skills in identifying similar and different objects.
	29	Pattern with Alphabet part A	98, 99	100	Trace The Sleeping Lines And Colour, Strike Out The Odd One, Trace The Sleeping Lines	Assignment focused on practicing line tracing skills, Help children develop coordination through tracing and coloring activities, Engage children in identifying the odd one out in various sets.
	30	Pattern with Alphabet part A	101, 102	103, 104	The Letter 'M', Trace The Slanting Lines, Colour The Monkeys Marked 'M', Trace The Slanting Lines	Homework assigned to practice fine motor skills through tracing, Activities to introduce the letter 'M' in a fun way, Help children practice their writing skills by tracing slanting lines, Creative activity encouraging children to color images linked to the letter 'M'.
	31	Pattern with Alphabet part A	105, 106	107, 108	The Letter 'N', Trace The Slanting Lines, Colour The Noses Marked 'N', Trace The Sun Rays To Shine In All Directions	Homework focused on developing control through tracing, Fun introduction to the letter 'N' through engaging activities, Help children build their writing skills through tracing slanting lines, Encourage creativity while recognizing the letter 'N' through coloring activities.
	32	Pattern with Alphabet part A	109, 110	111, 112	The Letter 'O', Trace The Slanting Lines, Colour The Oranges Marked 'O', Draw The Patterns	Introduce the letter 'O' through fun and engaging activities, Activities that help children practice writing slanting lines, Creative task encouraging children to color images related to the letter 'O', Engage children in pattern-making activities to enhance their creativity.
	33	Pattern with Alphabet part A			Assesment of Pattern with Alphabet Part A	Assesment of Pattern with Alphabet Part A
	34	Pattern with Alphabet part A			Assesment of Pattern with Alphabet Part A	Assesment of Pattern with Alphabet Part A
	35	Pattern with Alphabet part A			Assesment of Pattern with Alphabet Part A	Assesment of Pattern with Alphabet Part A
	36	Pattern with Alphabet part B	5, 6	7, 8	Explore the letter 'P' with interactive activities and creative coloring., Practice tracing dots to develop fine motor skills and control., Colour pencils to reinforce the recognition of the letter 'P'. , Colour patterns to enhance creativity and attention to detail.	The Letter 'P', Trace The Dots, Colour The Pencils Marked 'P', Pattern And Colour

	37	Pattern with Alphabet part B	9,10	11,12	Search for and circle the letters to build recognition skills., Enhance creativity through fun patterns and coloring exercises., Find and circle the letters for better visual recognition., Improve fine motor skills by tracing simple dot patterns.	Find And Circle The Letters, Pattern And Colour, Find & Circle The Letters, Trace The Dots
	38	Pattern with Alphabet part B	13,14	15,16	Identify and strike out the odd one from the set to enhance observation skills., Strengthen handwriting skills through dot tracing., Strike out the odd one to develop logical thinking and sorting skills., Trace the dots to enhance coordination and writing control.	Strike The Odd One Out, Trace The Dots, Strike Out The Odd One, Trace The Dots
	39	Pattern with Alphabet part B	17,18	19,20	Identify the odd one out in a group to build sorting and identification skills., Create patterns and color them to stimulate creativity and attention to detail., Strike out the odd one to enhance critical thinking., Use patterns and coloring to boost visual and motor skills.	Strike The Odd One Out, Pattern And Colour, Strike The Odd One Out, Pattern And Colour
	40	Pattern with Alphabet part B	21,22	23,24	Learn about the letter 'Q' with fun and engaging activities., Trace dots to strengthen handwriting control., Colour the queen and reinforce the letter 'Q' through this fun activity., Color patterns to develop coordination and creativity.	The Letter 'Q', Trace The Dots, Colour The Queen Marked 'Q', Pattern And Colour
	41	Pattern with Alphabet part B	25,26	27,28	Explore the letter 'R' through creative activities and crafts., Trace dots to develop fine motor skills and improve writing precision., Colour roses while reinforcing the recognition of the letter 'R'. , Color patterns to stimulate creativity and attention to detail.	The Letter 'R', Trace The Dots, Colour The Roses Marked 'R', Pattern And Colour

	42	Pattern with Alphabet part B	29,30	31,32	Discover the letter 'S' through exciting and engaging activities., Strengthen fine motor skills by tracing simple dot patterns., Colour the sun while reinforcing recognition of the letter 'S'. , Develop creativity through patterns and coloring.	The Letter 'S', Trace The Dots, Colour The Sun Marked 'S', Pattern And Colour
	43	Pattern with Alphabet part B	33,34	35,36	Explore the letter 'T' with engaging and fun activities., Practice tracing dots to improve fine motor control., Colour trees to reinforce the letter 'T' and enhance visual recognition., Create and color fun patterns to stimulate creativity.	The Letter 'T', Trace The Dots, Colour The Trees Marked 'T', Pattern And Colour
	44	Pattern with Alphabet part B	37,38	39,40	Find and circle the matching patterns to build observation skills., Trace the dots for improved writing skills and control., Find and circle the letters to improve recognition and focus., Colour patterns to improve focus and creativity.	Find Snd Circle The Pattern, Trace The Dots, Find & Circle The Letters, Pattern And Colour
	45	Pattern with Alphabet part B	41,42	43,44	Identify and strike out the odd item to enhance cognitive skills., Strengthen coordination through tracing dots., Strike out the odd one to improve cognitive thinking., Enhance creativity with patterns and coloring exercises.	Strick The Odd One Out, Trace The Dots, Strike Out The Odd One, Pattern And Colour
	46	Pattern with Alphabet part B	45,46	47,48	Strike the odd one out to improve logical thinking., Practice tracing dots for better writing control., Strike the odd one to strengthen sorting skills., Use patterns and coloring to boost creativity.	Strike Out The Odd One, Trace The Dots, Strike Out The Odd One, Pattern And Colour
	47	Pattern with Alphabet part B	49,50	51,52	Learn about the letter 'U' with fun activities and crafts., Trace the dots to enhance fine motor skills., Colour umbrellas to reinforce the recognition of the letter 'U'. , Improve control and coordination by tracing dots.	The Letter 'U', Trace The Dots, Colour The Umrellas Marked 'U', Trace The Dots

	48	Pattern with Alphabet part B	53,54	55,56	Explore the letter 'V' with fun activities and crafts., Develop writing skills through dot tracing activities., Colour vanes to reinforce the letter 'V' and improve visual recognition., Trace dots to improve fine motor control and precision.	The Letter 'V', Trace The Dots, Colour The Vanes Marked 'V', Trace The Dots
	49	Pattern with Alphabet part B	57,58	59,60	Explore the letter 'W' with fun activities and coloring., Trace the dots for better handwriting and coordination., Colour watches to help recognize the letter 'W' in a fun way., Trace dots to improve fine motor skills and control.	The Letter 'W', Trace The Dots, Colour The Watches Marked 'W', Trace The Dots
	50	Pattern with Alphabet part B	61,62	63,64	Learn the letter 'X' with fun activities and crafts., Practice tracing dots to develop fine motor skills., Colour X-Mas trees to reinforce the recognition of the letter 'X'. , Trace dots to improve control and fine motor coordination.	The Letter 'X', Trace The Dots, Colour The X-Mas Trees Marked 'X', Trace The Dots
	51	Pattern with Alphabet part B	65,66	67,68	Find and circle letters to strengthen recognition skills., Use patterns and coloring to boost creativity., Find and circle the letters for enhanced recognition skills., Colour patterns to develop creativity and attention to detail.	Find And Circles The Letters, Pattern And Colour, Find And Circles The Letters, Pattern And Colour
	52	Pattern with Alphabet part B	69,70	71,72	Strike the odd one out in a series to develop sorting skills., Color patterns to improve focus and creativity., Identify the odd one out to sharpen cognitive skills., Trace dots to improve fine motor control.	Strick The Odd One Out, Pattern And Colour, Strick The Odd One Out, Trace The Dots

	53	Pattern with Alphabet part B	73,74	75,76	Strike the odd one out to enhance sorting and cognitive abilities., Trace the dots to develop fine motor skills and handwriting abilities., Identify and strike out the odd one to improve observation skills., Trace dots to enhance writing precision and coordination.	Strick The Odd One Out, Trace The Dots, Strick The Odd One Out, Trace The Dots
	54	Pattern with Alphabet part B	77,78	79,80	Explore the letter 'Y' with creative and engaging activities., Improve fine motor control through dot tracing., Colour yaks to reinforce the recognition of the letter 'Y'. , Colour patterns to stimulate creativity and focus.	The Letter 'Y', Trace The Dots, Colour The Yaks Marked 'Y', Pattern And Colour
	55	Pattern with Alphabet part B	81,82	83,84	Discover the letter 'Z' with fun activities and crafts., Trace the dots to strengthen fine motor skills., Colour zebras to help recognize the letter 'Z'. , Practice tracing dots for better fine motor control.	The Letter 'Z', Trace The Dots, Colour The Zebras Marked 'Z', Trace The Dots
	56	Pattern with Alphabet part B	85,86	87,88	Circle the letters to reinforce recognition and focus., Trace the dots to enhance handwriting and motor skills., Find and circle the letters for better recognition., Trace the dots to strengthen control and coordination.	Find And Circle The Letters, Trace The Dots, Find And Circle The Letters, Trace The Dots
	57	Pattern with Alphabet part B	89,90	91,92	Identify and strike the odd one out to improve cognitive abilities., Trace dots for better writing control and coordination., Strike the odd one out to improve sorting and identification skills., Strengthen fine motor skills through tracing exercises.	Strick The Odd One Out, Trace The Dots, Strick The Odd One Out, Trace The Dots
